Marching Into Spring at Evans!

Here we are, marching into spring! While March was real close to coming in like a lion, Mother Nature only gave us a little tease. Even so, everyone here at Evans is excited that we are one step closer to the beautiful spring weather the Midwest is known for. We're looking forward to sunshine, fresh air, and all the joy this new season brings.

This month is full of music and fun for our residents! We're thrilled to welcome the Hansons back for another lively round of karaoke. We'll also be enjoying beautiful piano tunes from Nancy Witt and spending an evening tapping our toes to those good old favorites with Mr. Tim Howland. There's nothing like music to bring smiles and wonderful memories to our community.

Be sure to get your green ready as we celebrate St. Patrick's Day with our Shamrock Social! Residents can also take part in our all-day Leprechaun Hunt for prizes — it's sure to be a lucky and laughter-filled day.

Mark your calendars! We are excited to host our Annual Community Easter Egg Hunt on March 29th at 2:00 p.m. Bring the kiddos for an afternoon of Easter fun and pictures with the Easter Bunny. We love opening our doors to the community and celebrating together!

March 8th–14th is National Long-Term Care Administrators Week, and our Evans Community is truly blessed to have Rachel Levenson as our amazing administrator. Rachel, thank you for all you do and for being you! Your leadership and dedication mean so much to our residents, families, and staff.

We hope you enjoy all that March has to offer. Be sure to check our activity calendars on our website and join us for some of the fun. Spring is on its way, and we're ready to welcome it together!

Spring
IS IN THE AIR

Welcoming Spring with Smiles

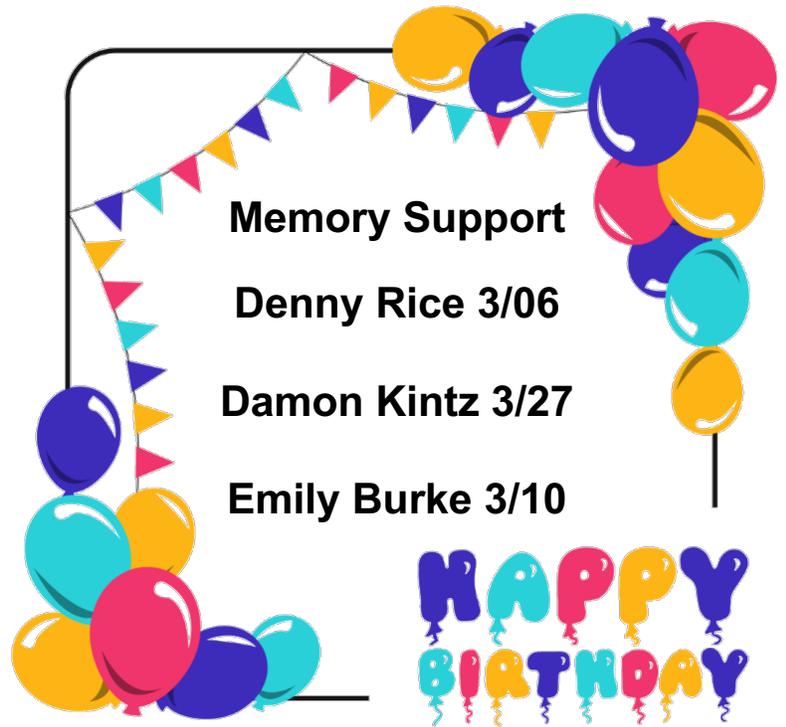

February was a wonderful month in our Memory Support community, but our tenants are certainly happy to see that spring is just around the corner! We are all looking forward to getting outdoors, soaking up some sunshine, and enjoying the fresh spring air — that is, of course, if Mother Nature decides to cooperate soon.

This month, we're celebrating all things spring with a fun and festive "Spring Spirit Week" featuring themed dress-up days. It's always a joy to see the creativity, laughter, and bright colors fill our halls as everyone joins in the fun.

We'll also be celebrating St. Patrick's Day in true festive fashion! Our dear friend Nancy Witt will be joining us for a lively sing-along filled with favorite tunes. Music has such a special way of bringing smiles, encouraging connection, and sparking treasured memories. After the music, tenants will enjoy a Shamrock Group Game and, of course, delicious Shamrock Shakes to top off the celebration.

We are excited to welcome back our friends Lisa Kammerer and Sarah Pisney, who will be hosting engaging craft sessions with us. Creative activities provide wonderful opportunities for self-expression, social connection, and hands-on fun. We can't forget our friend Mr. Tim Howland, who will be here on March 13th bringing the toe-tapping tunes we all know and enjoy. Music continues to be a meaningful and uplifting part of life in our community, and we are so grateful for the joy he brings.

As we step into this new season, we are filled with anticipation for brighter days, fresh beginnings, and many special moments together. Thank you for being such an important part of our community. We look forward to a March full of music, laughter, creativity, and springtime spirit! 🌸

Assisted Living News...

HAPPY SPRING!!! It's starting to warm up then back to winter! That's what spring is all about.

We are waiting for some birds to show up as we made them some feeders the other day.

We have lots of activities planned for March. We will be enjoying root beer floats, assorted popcorn and of course shamrock cookies which we will be decorating as well.

We will have musical entertainment such as Curt and Linda, the Mennonite Choir and toe-tapping favorite Tim the Music Man. We enjoy them all!

We are looking forward to two educational speakers coming in.

Since it is National Nutrition Month, Maya Nuss from Regional Health is coming to speak on Benefits of Nutrition and Healthy Habits, and we will get pampered by St. Croix Hospice as a Massage Therapist is coming to speak on the benefits of getting a massage. Hopefully, some of us will enjoy one.

We have our monthly cooking activity on the 30th followed by breakfast on the 31st by Chef Jacob. We looked forward to that each and every month. We're all looking forward to spring to hopefully get out and enjoy some sunshine and fresh air.

Stay safe and healthy!
