First Day of Fall
9/22

Hello Fall!

Whether we like it or not, fall is on its way! But that's okay—we've been soaking up these last warm summer days and enjoying plenty of time outdoors together. ☀️

September is going to be another fun-filled month! On September 13th, we'll celebrate **Grandparents Day** by inviting our families to join us for one of our favorite pastimes—BINGO! We'll also welcome the first day of fall with a fun afternoon Happy Hour.

And that's not all! We'll be singing along with Karaoke and getting our toes tapping when Tim Howland joins us for some great music and entertainment. 🎵

We hope everyone has a wonderful Labor Day and takes advantage of these last beautiful, warm summer days. Here's to a September filled with laughter, music, family, and lots of wonderful memories! ❤️🍂

Assisted Living, Autumn Blessings

As we begin to wrap up the summer, we have so many wonderful memories to look back on! August has been filled with music, laughter, learning, delicious food, and many opportunities to enjoy one another's company. It has been a joy to see everyone participating, visiting, smiling, and making memories together.

Music has certainly been a highlight of our summer! We have enjoyed wonderful musical entertainment with Cathy Hoffert, Maria Klingsheim, and Tim the Music Man. We also had a great time singing along during Karaoke with Brandon and Heidi. A special thank-you goes to Sue for sharing her time and talents with her Bell Choir. Music always seems to bring a little extra joy to our days!

We also had the opportunity to learn something new when Larry joined us to teach us about Iowa turtles. It was an interesting and educational time, and we enjoyed learning more about these fascinating creatures. Our tenants had an amazing time cooking together and making delicious veggie pizza. There is something special about preparing a meal together, sharing conversations, and then enjoying the tasty results! We also cooled off with a wonderful Ice Cream Social. Everyone enjoyed the sweet treats, good company, and lots of smiles.

As we look toward September, we are especially excited about **Assisted Living Week, September 13th through the 19th**. We have lots of fun things planned to make the week extra special, including some new music, a hayride, a pizza party, grilling out, and more. We are looking forward to celebrating our residents and all the wonderful people who make our community such a special place to call home.

We would also like to take this opportunity to send a heartfelt thank-you to our families, friends, volunteers, and community members. Your visits, friendship, support, kindness, time, and talents mean so much to all of us. You help make our days brighter and our community stronger, and we are truly grateful for each and every one of you.

Wishing everyone a happy and healthy end to summer and a beautiful beginning to fall!

With warmest wishes,

Your Friends at Evans

Keeping Our Community
HEALTHY 
THIS RESPIRATORY VIRUS SEASON

Small actions from each of us help keep our residents, families, and staff healthy and protected!

1 VACCINE CONSENT FORMS WERE SENT TO FAMILIES

Consent forms for both the COVID-19 and influenza vaccines were sent to families for your loved one. Please complete and return the forms as soon as possible so we can help keep your loved one and our community protected.

QUESTIONS? CONTACT:

2 STAY HOME WHEN YOU ARE SICK

If you are experiencing fever, cough, sore throat, vomiting, diarrhea, or other symptoms of illness, we ask that you please stay home and avoid visiting until you are feeling better. This helps protect our residents, who may be more vulnerable to illness.

3 PRACTICE GOOD HAND HYGIENE

Wash your hands often with soap and water or use hand sanitizer, especially:

- When entering or leaving the community
- Before eating
- After coughing or sneezing

Thank you for helping us keep our community healthy, safe, and protected!
