A Season of Fall Fun

One might say YES, it is officially fall! While we will certainly miss those warmer days spent sitting out on the patio visiting with friends, fall has plenty of perks of its own. Our residents have been enjoying watching the beautiful transformation of the trees outside our windows as they show off their gorgeous reds, oranges, and yellows. There is just something special about the changing seasons!

This month, we have lots of fun fall activities planned for our residents and community. We would like to give a very special thank you to Pat Korsmo for hosting a Homemade Apple Pie Social with us. Her pies are delicious and such a special treat! There is nothing quite like the taste and smell of homemade apple pie to make it feel like fall. 🍎🥧

Then, get ready for something a little spooky! On October 14th at 3:00 PM, join us for a fun seasonal Ghost Presentation hosted by Dave Smutzler from P.I.G.'s — *Police Investigating Ghosts*. Dave will share some of the group's local ghost-investigating experiences and findings. We think this will be a fun way to get into the Halloween spirit! 🧛

And speaking of Halloween... bring on the little ghosts, witches, superheroes, and princesses! 🎃 We invite families to bring their little ones dressed in their Halloween costumes to our Trick-or-Treating event in the Main Dining Area Saturday, October 24th 2-3:30PM. Our residents absolutely love seeing all the creative and adorable costumes, and we know they will be excited to hand out some treats and enjoy the fun.

There is always something special about bringing generations together, and we can't wait to fill our halls with smiles, laughter, and a little Halloween magic!

Happy Fall, everyone! 🍁🎃 We hope to see you around the community this month!

Autumn in Assisted Living

What a wonderful September we have had in Assisted Living! The arrival of fall has brought beautiful weather, fun activities, special visitors, and so many opportunities to make wonderful memories together. We had a fantastic time celebrating **Assisted Living Week!** Our week was filled with fun and special moments, including enjoying music by Sister Luv and Joey Reinhart, a beautiful hayride, and a delicious Pizza Party! We also had a very special Bingo game with the Notre Dame 4th Grade Students. It was so much fun having the students join us! In addition, we really enjoyed a card party with our friends at Evans. The smiles, laughter, and time spent together made it a truly memorable day.

We have also been busy getting into the fall spirit by decorating our Assisted Living home. Everyone had a great time helping with the decorating, and it turned out super! Our fall decorations have added such a warm and festive feeling throughout our community. As always, we were happy to have Larry Reis come and visit us. This month he talked about the Badlands of South Dakota. We had such a fun and interesting time learning about them.

Looking into October, we are looking forward to a lot of fun fall activities. We have some fun Halloween crafts planned, along with pumpkin painting and cookie decorating. We are also looking forward to some fun music and, of course, **Brunch with our favorite Chef, Jacob!** There is always something to look forward to around here, and October is sure to be filled with plenty of laughter, creativity, good food, and wonderful memories.

We are so grateful for all the residents, families, friends, staff, students, and special visitors who help make our Assisted Living community such a wonderful place to be. Thank you for being part of our community and helping us make each day special.

Wishing everyone a beautiful fall filled with colorful leaves, cozy days, lots of smiles, and many happy memories!

The Assisted Living Team 🍁❤️

 POLICE INVESTIGATING GHOSTS
PARANORMAL PRESENTATION
 with Guest Speaker
Dave Smutzler

Have you ever wondered if ghosts really exist?

Join us for a fascinating afternoon with Dave Smutzler, a member of P.I.G.s — Police Investigating Ghosts! Dave will share stories, photographs, evidence, and findings from paranormal investigations at local and historic locations. Come hear about the unexplained experiences they have encountered while investigating reports of paranormal activity.

See the evidence. Hear the stories. You decide what you believe!
